Pokemon Prism You might hear the phrase saying, “Do not judge a book by its cover” but with Pokemon Prism, you cannot judge the game by its design and oldie looking.. I bet you want to see all legendaries from Kanto to Sinnoh and eight from Unova or catch at least one of them? Pokemon Glazed lets you pick from the five starter Pokemon instead of three and even capture all five starters and there are other more features awaiting for you to discover.. However, the Pokemon Prism’s build file has leaked online, making it available for download but has missing features from the final version, yet the game is fully functional.
